Birkat Elyon

Birkat Elyon is an online jewelry store that focuses on cubic zirconia products. They wanted a way to promote their most popular cubic zirconia products. We helped them with a video distribution strategy to promote 22 product videos. We also edited their existing videos to add call to actions to the end of the video. Within 2 months we helped to get high rankings on the first page on Google and on YouTube for multiple keywords. Here is a screenshot in Google on one of the keywords. This promotion helped increase traffic to their website and also helped to increase sales.
